

Indian Association of Teacher Educators (IATE) 58th Annual National Conference

On

Re-envisioning Teacher Education in the age of AI: Perspectives and Strategies

[12th - 13th March, 2026]

(Hybrid Mode)

Organized by
Department of Education,
Sikkim University

In Collaboration with
Indian Association of Teacher
Educators (IATE)

About Sikkim University

Sikkim University, established in 2007 as a Central University in Gangtok, offers diverse academic programs including region-specific disciplines. It serves as the academic centre for higher education in the state, with all the state government colleges affiliated to it. The Department of Education, was started in 2013, offers M.A., PhD., and since 2018, M.Ed. programmes. It is dedicated to offering teacher education and educational research with a focus on innovation and leadership in the region.

About the Conference

The focus of the conference is the urgent need to reimagine teacher education in light of NEP 2020 and the growing influence of Artificial Intelligence (AI) in education. As teacher education programs evolve through reforms like ITEP, there is a pressing demand to develop professional competencies, adopting innovative pedagogies, and integrate AI meaningfully into teaching and learning. The conference will explore how teacher education can align with global and national priorities, addressing inclusion, equity, digital readiness, and lifelong learning. It invites dialogue on curriculum design, school-based experiences, policy frameworks, and the central and strategic role of teacher educators in preparing future teachers.

About IATE

The Indian Association of Teacher Educators (IATE) is the oldest and leading professional body of teacher educators in India, established on 25th November 1950 at MS University of Baroda through the efforts of eminent educationists like Prof. T.K.N. Menon, Prof. Hansa Ben Mehta, and Prof. S.N. Mukerjee. It was formally registered under the Societies Registration Act in 1966.

IATE has played a vital role in offering a national and regional platform for meaningful dialogue on education, particularly teacher education. It has contributed significantly to shaping education policy in India. Key activities include organizing annual conferences, seminars, workshops, and publishing a reputed journal. The association has over 3,000 life members across India.

Sub Themes

Against the backdrop of Artificial Intelligence, the Conference will deliberate upon the following sub-themes related to Teacher Education:

- Philosophical, Ethical and Humanistic Perspectives
- Changing role of learners, teachers and teacher educators
- Teacher Education Programmes: Structure and Modalities
- Curriculum, Pedagogy and Assessment: Reforms, Strategies and challenges
- Professional Standards and Competencies for Professional Development
- Policy, Governance and Quality Assurance
